

INSTITUTO DE ASTROFÍSICA DE CANARIAS

INFORMATIVE NOTE

On July 13 to 15, 2024, a technical incident occurred, duly accredited by the IAC Computer Services, which left the electronic headquarters of this entity out of service, preventing applications from being submitted electronically through the registration procedure for Selective Processes.

In view of this situation, the provisions of article 32.4 of Law 39/2015, of October 1, on the Common Administrative Procedure of Public Administrations, which provides for the possibility for the Administration to determine the extension of the unexpired deadlines in the event of a technical incident that makes the ordinary operation of systems or applications necessary in administrative procedures impossible, until the problem is resolved.

For all the above, it is communicated:

- **The extension of the application submission period provided for in call PS-2024-036 until July 18, 2024.**

We remind you that you can use too the Common Electronic Registry (REC) of the General State Administration to submit writings or documents to the IAC: Common Electronic Registry (<https://rec.redsara.es>).
